Took into designing posters, clothes, and household items to improve my computing skills and worked in the community cyber doing printing work and homework editing for university students.

February 2024 – July 2024
Nairobi
(INTERN)

mountain view School,

Outline

Provided technical and it support which entails data entry, document writing and editing, writing meeting minutes and memos. Overlooked minor teaching scenarios where I taught basic computer studies to grade 1 and 2 as well as the growing pre primary classes 1 and 2. Helped in some programming lessons taught to grade 7 and 6 which entailed scratch, HTML, and CSS.

I undertook photography, took pictures of school events and minor ongoing class projects in the cbc curriculum.

KEY RESPONSIBILITIES

- Data entry
- Data analysis
- Document writing and editing.
- Technical support
- It supports.

KEY ACHIEVEMENTS

1. Placed in charge of other interns and eased understanding of the work area.
2. Involved in sporting activities and events helping the school break their losing streak.
3. Got access to many informal and formal meetings allowing privilege to document formality writing.
4. Involved in many analyses due to my key attention to details.
5. Engagement with students encouraged in improvements socially and academically improving the mean score gradually till the KCPE examinations.

**June 2024 – till present
employed, kenya**

self-

Photography and design

Outline

Offered professional photography and graphic design for small ventures such as tuition centers, small roadside café, food cart trolley and roadside photography.

Ventured into agriculture where I sell onions and potatoes from local farmers from my village with hopes of coming to Nairobi and achieving their childhood goals.
